

MOW News and Notes for Volunteers

Weaver Wonderings:

October 12, 2017

Mature Living Festival – Friday (tomorrow) please come see me at the Mature Living Festival at Parkade Plaza. This is a great event just for seniors with free health screenings and great information about many different services. My booth is located right next to the stage so we can watch the entertainment together!

Combined Federal Campaign – Next week begins the giving campaign for all Federal employees. Meals on Wheels is one of the ‘approved’ charities that employees can name to receive their gift. If you know of any Federal employees (VA Hospital and Dept. of Natural Resources are examples) please mention that MOW is a charity and our CFC Code is 52337. They have a large list to choose from but helping them with the code makes it easier for them to give! Some agencies have kick-off events that they ask charities to attend and I would love to represent MOW.

Sack Suppers - Due to the quality of the white bags we usually use for sack suppers, we will be making a change. Right now we are going to try white and red dinner boxes. They will have the client name on the side so you can get the right dinner to the right person. So sack suppers are now Dinner Boxes!

Right now, we have one open route on Friday.

Drivers Needed: (please call 886-7554 or email if you can help)

Monday, Oct. 16 – Need 1 driver

Tuesday, Oct. 17 – Need 1 driver

Wednesday, Oct. 18 – Need 1 driver
