

MOW News and Notes for Volunteers

Weaver Wonderings:

November 30, 2017

Welcome to December! We have been blessed as we roll into December and began the week with Giving Tuesday! MEM, MU Health Care Records Department, and several donors gave \$6,000 for the clients of MOW! That's our largest Giving Tuesday since it began about 6 years ago! And then today (Thursday) Columbia Rotary South gave each driver a poinsettia! What a wonderful community that supports MOW in so many ways! (Pictures of each of these presentations are on the Meals on Wheels Facebook page.)

Thank you to our student drivers and interns! As we come to the end of the semester we want to thank our student drivers and interns! They give a lot of hours to our organization and they are really neat kids! We wish you the very best and please come back in January if your schedule allows it. (Please be sure and sign out on the calendar.) You are loved!

End of the year work... We will be sending out the client surveys so we learn from our clients. They are always so good to brag on you and the friendships you form. And it's mileage time... so next week, please complete a form giving us the mileage to run your route. We use this data during the audit because those miles are a gift from you. If you deduct mileage on your taxes, you can add the miles from your house to the VA and back. Thank you for helping us with this!
