Weaver Wonderings:

January 11, 2018

January means snow or ice! Today we sent meals out a little EARLY (10:15) in order to get all drivers home safely before the ice made driving dangerous. We can handle snow so much better than ice! Just to review, we do **NOT** automatically cancel if CPS decides to call off school. We make an independent decision as the weather changes quickly and we have to guess how things will be at 10:45. You will know we have cancelled by listening to local radio and TV stations, checking the website (www.mealsonwheelscolumbia.org), calling 886-7554 and listening for a cancellation message, or watching the Meals on Wheels FB page. It is always your decision as to whether you want to drive in the snow. If you don't feel comfortable, just call and let us know and we will combine routes or get a substitute driver. Safety is the most important factor!

WELCOME HOME NEEDS OUR HELP! Yesterday we received a call from our friends at Welcome Home and they have lost their cook and will be trying to hire someone but need food for the next 3 weeks. So we will deliver LOTS of food to the 32 people living at Welcome Home. It will be 3 coolers (4 on Friday) all delivered to the kitchen at their new facility on Business Loop. We are hoping to make that delivery about 11:30 each day. If you would like to help me with that delivery, please let me know.
