Weaver Wonderings:

May 17, 2018

Changes... As we continue to grow, it means we need to switch up some routes. This week we have enrolled 4 new clients and it makes us adjust, so check your route sheets as you drive next week. We have many 'full' routes so by creating a new route, it may actually give some relief to some 'full' routes.

Emily is also making a change to be the **Social Media Team Leader** for a local Insurance company. Next week will be her final week and we want her to pursue her dreams. After she settles in to her new job, she may actually get to come back and drive or take care of some of our Social Media needs. *Thank you, Emily for loving on us and we wish you the very best in your new adventure!*

During this transition, if you would like to help with the phones or some office work, please let me know. I'll keep you posted as we find our new office manager. If you or someone you know is interested, please let me know. Hopefully the job will be posted soon on our FB and webpage.

We need Drivers! As we have added routes and students are leaving, please help me recruit several new drivers. If you are on the sub list and would like to take a regular route even for the summer, please let me know. Several of our local churches are putting our request in the bulletin. Please let me know if you have a congregation contact that we can send our requests. Also, bring a friend with you to drive and then they can become a regular driver.
