

MOW News and Notes for Volunteers

Weaver Wonderings:

July 6, 2018

What day of the week is it anyway? Yes, you are getting this on Friday because in my mind, yesterday was Monday! LOL

Annual Report and Solicitation letter- Many of you may have received your letter in the mail yesterday with the annual report (attached) and the letter asking you to support us financially. This is our only mailing during the year and many of our donors plan their giving around this time of asking. Thank you to those of you who drive and give to our work. One of the best numbers on the annual report is related to expenses: 94% of every dollar goes to the cost of meal delivery and only 6% covered the administrative and fundraising cost. That is an outstanding number that many agencies would love to have and we are very pleased that stays that high! That is done because of your volunteering each week. Those hours and miles count as in-kind donations and keep our expenses low! Thank you for helping us be highly efficient!

We need Drivers! Thank you for spreading the word and taking extra routes as we work through this growth!

Drivers Needed: (please call 886-7554 or email if you can help)

Monday, July 9 – Need 2 drivers

Tuesday, July 10 – Need 3 drivers

Wednesday, July 11 – Need 1 driver
