

MOW News and Notes for Volunteers

Weaver Wonderings:

November 1, 2018

A special thank you! November is a month to reflect and at the top of my list is my great appreciation for those of you who have really stepped up this fall with taking 2 routes, driving multiple days, and recruiting new volunteers! THANK YOU! THANK YOU! THANK YOU!!!

Presentations in the Community - This afternoon I will be presenting MOW to the Parkinson's Support Group. Both the adult with Parkinson's and the caregiver qualify to receive MOW and we currently serve several. This is a very active group and I love to meet with them annually to help make them aware of our services and how we can assist them in this process. They currently meet at Broadway Christian Church.

Volunteer Information Update – Thank you to the 52 people who have given us their contact info. Please take a minute to update us on the volunteer information we have on file. You can do that on the clipboards I have in the gathering room OR you can send the following info to me and I'll get it updated: *Name, Address, Phone (cell if you have) and Home Phone, Email, Day your drive, and Route you drive.*
