

MOW News and Notes for Volunteers

Weaver Wonderings:

November 15, 2018

What are you grateful for? As we reflect about the things we are grateful for, rarely are they THINGS! They are people, memories, lessons, experiences, conversations, etc.! I know that many of you will have family and friends for the holidays but remember the friends that are alone, have losses, or may be needing a friend. You are such wonderful people and I send lots of love and appreciation to you for the giving way you care for the seniors of Columbia all year! Some of you may know, I took this job because of my love with working with volunteers! You never disappoint me and you bless my life also! Thank you for being on my list!

Thanksgiving Schedule - Our wonderful friends from Shelter Insurance will help us next week with meal delivery. If you are a Wednesday driver and would like to take the day off, please email me as I have some extra Shelter Friends willing to help!

You can do that on the clipboards I have in the gathering room OR you can send the following info to me and I'll get it updated: *Name, Address, Phone (cell if you have) and Home Phone, Email, Day your drive, and Route you drive.*
