Weaver Wonderings:

April 11, 2019

BIG WHEELS special duties...

1. Our friends at Veteran's United have been gracious again and will be ordering a large group of lunches on 2 days. I need a driver to help with that delivery on **Wednesday (24th) at 11:00** if someone would like to help with this. I already have Ed and Dick but we need 3 vehicles. So let me know if you could help in this way.
2. Orders come in slowly until about Wednesday of next week. I could use some helpers to come and sit at the computer and enter orders. Let me know if you can help on **Wednesday morning (17th), Thursday afternoon (18th), or Friday morning (19th)**.
3. Would you like to organize the orders into routes? Each afternoon during Big Wheels we have to get the next day orders pulled together into groups of 3-5 deliveries for the drivers. You need to know Columbia, but I would love to have some helpers come to the MOW office about 2:00 each afternoon and help us organize for the next day. Let me know if you can help one day or multiple afternoons the week of April 22-26.

BIG WHEELS Checklist
