Weaver Wonderings:

September 5, 2019

September brings Fall! I think we are already beginning to feel the cooler nights and soon the days will follow. This is my favorite season of the year! I think it's because we have so many new beginnings in the fall... a new school year... new University students...and some new MOW Drivers! Welcome **Paige**, our MOW Intern who helps in the office on Mondays and Fridays and drives both of those days! Monday we have **Bob and Candy**; Tuesday we have **Julie and Chris**; Thursday we have **Carroll**; and Friday we have **Jordanne**! A special thank you to all of you who shared we needed drivers! The word is getting out and we are getting wonderful people plugged in to those open routes. We are down to only 6 open routes!!!! (Earlier we had as many as 13!)

Technology - I spent the day in a training session in preparation for CoMoGives. I know it seems early! This campaign is all done through social media, so be sure you have connected with us on FB using the link below. If you are connected, please like, comment, and Share our post so more of your friends begin to follow Meals on Wheels. I will be watching for your interaction with the post. It would be rude to not say hello when greeted, so LIKE, COMMENT, or SHARE and I'll do the same! ♥
