

MOW News and Notes for Volunteers

Weaver Wonderings:

September 10, 2020

Welcome new drivers! August was another very good month for new drivers and I hate that you all are not getting to welcome our new friends like we should, so please look for new folks when out in the parking lot and welcome them! August we had 20 new folks and here are their names and days they have chosen to drive:

Monday – Curtis, Travis, and Bob

Tuesday – Neighbor's Bank (6 drivers who rotate), Hannah, and Felicia

Wednesday – Leon and Karen, and Michael (packer)

Thursday – Still one open route

Friday – Matthew (who also subs a lot) and Luke

SUBS – Rachel, Christina, Doug, and Caitlin

Families in Isolation - We continue to serve families needing isolation due to COVID and without financial means to get food from other sources. Right now we don't have anyone but we have served several families during the summer and anticipate that we will have new needs this fall. Usually they only need food for about a week until they recover and we are glad to provide that for them in their emergency situation. This food is ALWAYS left in the cooler and you have no contact with the individuals.

Knock and Ring - Just a reminder, when you put the food in the cooler, please knock or ring the doorbell if the client is not visible, so the client knows their food has been delivered.

Traveling in September? Please send me an email if you need to be gone. Since I send out the request for volunteers on Thursday, it is best to send in your changes BEFORE Thursday. That prevents me from individually calling volunteers who may or may not be available. THANKS!

Quote of the Week: *“They will look at my career as the guy who gave it all but at the same time did it with integrity. That’s what we all aim for – the respect of the game as well as the honesty that’s played a part of that game.” Lou Brock*
