

MOW News and Notes for Volunteers

Weaver Wonderings:

September 17, 2020

Next Week we Celebrate YOU! We have listened to what you said about the Volunteer Dinner and will NOT be having our usual time together this fall. HOWEVER, one week each month, we will be outside under your new white tent CELEBRATING you! I will be out there starting at 10:45, giving you a small little gift of thanks that our community has provided to you and catching up on your lives! We have missed hearing about your lives...so this gives us a time to say thank you and visit together – social distancing OUTSIDE of course! (Board members will be joining me if they are available during the middle of the day.) It's fun letting our business community say thank you as you are certainly appreciated!

NEW ROUTE - Those of you traveling in the southwest corner of Columbia may see people missing on your route sheet. We have opened RT. 22 to provide some relief to our southwest routes (Rt. 4, 5, 20 and 21). This is also good as we have several new drivers wanting routes and we can open up options for those new friends! Of course, if we moved one of your favorites, you can take the new route if you want to stay connected with a friend! Just let me know.

Traveling in October? Please send me an email if you need to be gone. Since I send out the request for volunteers on Thursday, it is best to send in your changes BEFORE Thursday. That prevents me from individually calling volunteers who may or may not be available. THANKS!
