

MOW News and Notes for Volunteers

Weaver Wonderings:

September 24, 2020

LOVED getting to visit with you! The highlight this week was being outside with you and getting a few minutes of real conversation! Kelly also enjoyed seeing you at the door this last week! Obviously, we miss our gathering room and getting to know all the new drivers we have but I love the way you all stand and talk to each other and welcome the new friends into our family. One driver told me she heard we used to have coffee and Panera and got to sit and visit...I said, yes, we used to and we hope to get back to that some day! Our new and crazy world!

A very special thank you to Gerbes and CAFNA for providing the gifts for this month. And most importantly, thank each of you for driving for Meals on Wheels!

All Routes are Filled - In 8 years of being at Meals on Wheels I think that is the first time I have ever typed those words! And next week we may have someone needing to return to work, have surgery, or something that pulls them away for a period of time BUT let's enjoy the moment of 110 weekly drivers making a commitment to deliver food to our precious seniors! And we have a larger list of people who just want to sub and fill in when you need to take a week off! THANK YOU TO EVERYONE!!!!

Have you noticed the leaves? 😊

Traveling in October? Please send me an email if you need to be gone. Since I send out the request for volunteers on Thursday, it is best to send in your changes BEFORE Thursday. That prevents me from individually calling volunteers who may or may not be available. THANKS!
