

MOW News and Notes for Volunteers

Weaver Wonderings:

October 15, 2020

Celebration Week: Next week is my week to be outside with you each day during delivery. While I certainly look forward to some longer conversations with you, it also means we have little gifts for you! Your TREAT is provided by Gerbes and you will also have small potted plants brought to you by Craig and Debbie Anderson. While outside I will also be handing each of you a new parking sign that has 2 purposes: 1) it is to be displayed on your dash while in the VA parking area if we get to return to the gathering room, and 2) it is to help the us identify what delivery bag you are coming to pick up at the back door while we are using this delivery method.

Parking Signs: While we are still in the modified delivery method (NOT coming in the hospital) these signs help the people at the door be more efficient at getting your bag to the door. These packers are WORKING HARD behind the scenes! (One pedometer registered 2 miles of walking by a packer last week just getting all the meals to you!) When you come to the door just hold up your sign and the packers can see your delivery number and quickly get your bag to the back door. This will be very helpful as we begin to wear more winter coats along with our mask, scarves, and hats! Always check to make sure you have the correct bag before you leave. Those of you who substitute, have a sub sign and you can use that as well, it just won't have the route number on it. Hopefully, this will prevent you from having to stand outside for very long if it is cold.

Traveling in October? Please send me an email if you need to be gone. Since I send out the request for volunteers on Thursday, it is best to send in your changes BEFORE Thursday. That prevents me from individually calling volunteers who may or may not be available. THANKS!
