

MOW News and Notes for Volunteers

Weaver Wonderings: April 15, 2021

Meals on Wheels Client Survey - One of our interns, Katie Meyerkord, wanted to focus on our clients and used the survey we sent out in January. She used the data from the 2019 survey and our current survey in 2020 to conclude the following:

- The world experienced a shock in 2020. The survey data holds more significance this year.
- Despite the changes during the pandemic, the results of each question only varied by 1-2% compared to 2019. The organization did a great job during the pandemic!
- Meals on Wheels changes lives constantly, but especially this year as people quarantined and were unable to leave their homes.
- We received more survey responses in 2020 than 2019. That means our clients were more engaged and wanted to voice their opinion.
- **COMPARED TO 2019, EVERY SINGLE WRITTEN RESPONSE IN 2020 HAD SOME SORT OF THANK YOU MESSAGE FOR HELPING THEM DURING THE PANDEMIC. OUR CLIENTS WERE MORE THANKFUL!**

(Next week I will share some of those wonderful comments....)

Traveling? Please send me an email if you need to be gone. Since I send out the request for volunteers on Thursday, it is best to send in your changes BEFORE Thursday. That prevents me from individually calling volunteers who may or may not be available. THANKS!
