

MOW News and Notes for Volunteers

Weaver Wonderings: July 15, 2021

July is Vacation Time! That means we have several requests for drivers for the next couple of weeks! If you can give an extra day, I will try to give you your same route if you want... plenty of options! 😊 Also if you have not driven for a while, now is the time to jump right in! WE NEED YOU!

We also have a couple of packing opportunities opening up if you have always thought about packing. The packers come at 10:15 and check all the bags before we begin to load them with the hot meals. They are those helpful hands that bring your bag to you at the door and they sometimes even help you to your car! Right now, our greatest need for a packer is on Friday. Just let me know if you would like to step into that role.

And finally... (I am kind of needy this week! Sorry!) Next week Hans is going to be traveling out of state and I could use some morning helpers with the phone. If you would be interested, just let me know!

And as always.... THANKS FOR ALL YOU DO!!! WHAT A TEAM!

Coolers Needed – Please spread the word that we are needing some coolers for our new clients. These were so critical during COVID but are equally as important during the hot weather. The inside of the cooler needs to be at least 10" long for a tray to fit inside.

Traveling? Please send me an email if you need to be gone. Since I send out the request for volunteers on Thursday, it is best to send in your changes BEFORE Thursday. That prevents me from individually calling volunteers who may or may not be available. THANKS!
