

MOW News and Notes for Volunteers

Weaver Wonderings: **August 18, 2021**

Question for you... We (Board and I) are working on the Volunteer Recognition. While we are hesitant to plan a sit down dinner like we have done historically, we want to still have a way to say THANK YOU! We are brainstorming lots of ideas but we want to know your thoughts? What would you like this fall? (Besides for COVID to go away!)

Here are some ideas: We can have informal special weeks outside like we did last fall – treats on a table, etc. We can have a special event in an outdoors setting like Shelter Gardens that allows you to visit but still be outside. We can try to have a sit down event like we have done before (Stephens Park but inside the shelter) **and I'm sure there are other ideas out there...** *Please send me an email of your thoughts on what would mean the most to you!*

Drive Safely! Our students are back and they are not familiar with our roads and then we add construction... so please be careful while out on your route. It may take you a little longer but better safe than sorry!

Packers anyone? Needing packers now for substituting so if interested, let me know.

Traveling? Please send me an email if you need to be gone. Since I send out the request for volunteers on Thursday, it is best to send in your changes BEFORE Thursday. That prevents me from individually calling volunteers who may or may not be available. THANKS!

My vacation is Aug. 20-27 so please call HANS if you have a last minute crisis and help me get the request filled asap. Also, no newsletter next week. LOL
